2026 SPONSORSHIP GUIDE
Where Wood and Craftsmanship Come Together
29TH ANNUAL AGM & CONFERENCE
PRESTIGE HARBOURFRONT RESORT, SALMON ARM, BC

INTRODUCTION

The BC Log and Timber Building Industry Association (BCLTBA) was created to provide services in support of industry growth, and is the only business association in British Columbia that exclusively promotes and advocates for the interest of Log Builders and Timber Framers.

Sponsoring us in 2026 will raise your visibility and credibility within the industry. Your contribution is recognized by our members, ensuring your company is foremost in their minds throughout the year. This is your opportunity to be seen as part of the industry.

AGM & Conference, March 19-22, 2026

Each year the BCLTBA hosts an AGM & Conference to share business knowledge, provide networking opportunities, and to develop industry cohesiveness. This is a great venue for our sponsors to meet and directly market to our delegates.

For the duration of the event, the Trade Show features our Sponsors' products and services. This gives attendees first hand exposure to both your representatives and your products.

Throughout the event, delegates and sponsors are provided with opportunities to renew and create a variety of lucrative business partnerships. The event will start with the arrival of guests on Thursday evening, March 19, 2026. The Conference sessions begin the next morning, featuring representatives from our Sponsors, the industry at large, and government agencies. Sponsors will have access to the ball room to set up their booths on Thursday evening, March 19, 2026

Conference registration fees cover a wide variety of seminars, workshops, hands-on events and delicious meals.

Additional events include:

- Live and Silent Auction: We welcome any donations you would like to contribute! All such donations help maintain our Association's self-funded status and provide excellent advertising opportunities.
- Slideshow of your creative projects – If you would like to have your photos featured in our presentation, please submit them to the BCLTBA office by February 1, 2026.
